This Directory includes information on organizations located on Cape Cod and the islands of Martha's Vineyard and Nantucket, Massachusetts, that share the Sea Grant objective of providing the public with information to aid in the preservation and wise utilization of our local coastal and marine resources. Listings by towns include private organizations, town departments, and schools. Information on county, state, and Federal agencies is also included in the Directory.

Information is compiled and updated annually by the Woods Hole Oceanographic Institution (WHOI) Sea Grant Program. If your organization would like to be listed in, or if you have questions about, the Directory, please contact:
