

State of Wellfleet Harbor Conference

Saturday, November 2, 2024

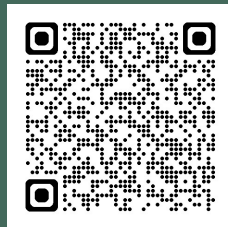

9:00AM-12:00PM

Wellfleet Harbor Actors Theater, 2357 State Highway Route 6.

Topics include eelgrass restoration, avian influenza, and climate effects on saltmarsh habitat. The purpose of the State of Wellfleet Harbor Conference is to inform the residents of Wellfleet & surrounding towns about the research and monitoring projects that are taking place in Wellfleet Harbor, and to identify residents' concerns and questions about the health of the Harbor that can be used to guide future research

Attendance is free; pre-registration is encouraged, but not required.
