

# State of Wellfleet Harbor Conference

Saturday, November 2, 2024

9:00AM-12:30PM

Wellfleet Harbor Actors Theater, 2357 State Highway Route 6.

## Presentation Include:

Opening Up the Salt Marsh Restoration Toolbox at Wellfleet Bay Wildlife Sanctuary

Status of eelgrass (*Zostera marina*) in Wellfleet

Impacts of crabs eating Cape Cod salt marshes & vegetation-restoration techniques

Herring River Restoration Project Update

From Belding to Black Custard and Blister Worms: A century of scientific research in Wellfleet Harbor

Hole-y Shell! Investigation of boring sponge in Wellfleet oysters

High Pathogenicity Avian Influenza: The View from Global to Local

Posters on the topic of a new dolphin rescue center, an update on mud-blister worm infection in oysters, horseshoe crabs, a coastal oceanography afterschool program, and a summary of nekton populations in Duck Harbor.

Attendance is free; pre-registration is encouraged, but not required.
